This Corporate Governance Statement discloses the extent to which the Company follows the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that will not be followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company’s Corporate Governance Policies are available on the Company’s website at www.soonmining.com

PRINCIPLE 1 – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

RECOMMENDATION 1.1 – RECOMMENDATION FOLLOWED

A listed entity should disclose:

- (a) the respective roles and responsibilities of its board and management; and*
- (b) those matters expressly reserved to the board and those delegated to management.*

The Company has a Board Charter which sets out the respective roles and responsibilities of the Board, the Chair and management, and includes a description of those matters expressly reserved to the Board and those delegated to management.

A copy of the Board Charter can be viewed on the Company’s website, or via this link: [Board Charter](#)

RECOMMENDATION 1.2 – RECOMMENDATION FOLLOWED

A listed entity should:

- (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and*
- (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.*

Prior to the appointment of a person, or putting forward to security holders a candidate for election, as a director, the Company undertakes appropriate checks to verify a director’s character, experience, education, criminal record and insolvency checks.

The Company ensures that all material information in its possession relevant to a shareholder’s decision whether to elect or re-elect a director, including the information referred to in Recommendation 1.2, is provided to shareholders in the Company’s Notice of Annual General Meeting.

RECOMMENDATION 1.3 – RECOMMENDATION FOLLOWED

A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.

For personal use only

Each director and senior executive of the Company has an agreement in writing with the Company which sets out the key terms and conditions of their appointment. RECOMMENDATION 1.4 – RECOMMENDATION FOLLOWED

The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.

The Company Secretary is accountable to the Board through the Chair, and all directors have access to the Company Secretary. The Company Secretary's role in respect of matters relating to the proper functioning of the Board includes advising the Board on corporate governance matters, monitoring that Board and committee policy and procedures are followed, coordinating all Board and committee business, and helping to organise and facilitate the induction and professional development of directors.

The Company's Board Charter provides further detail on the role the Company Secretary and is available via this link: [Board Charter](#)

RECOMMENDATION 1.5 – RECOMMENDATION NOT FOLLOWED

A listed entity should:

- (a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;*
- (b) disclose that policy or a summary of it; and*
- (c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either:*
 - 1. the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or*
 - 2. if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.*

The Company recognises the benefits of maintaining a diverse workforce and utilising the diverse skills and talent across its directors, management and employees. To this end the Company has developed a Diversity Policy which is available on the website or via this link: [Diversity Policy](#)

Taking into consideration the scale of the Company's operations, the size of the Board, and that the Company does not have any employees, the Board has not established measureable objectives relating to diversity.

The composition of the Board will be reviewed on an annual basis and in the event a vacancy arises, the Board Charter requires that diversity be considered as part of the criteria in assessing candidates. As at the date of this Statement, the Board is composed of three male directors and one female director.

RECOMMENDATION 1.6 – RECOMMENDATION FOLLOWED

A listed entity should:

- (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and*
- (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.*

The Board Charter requires that each year the Board will conduct a self-evaluation of its performance against that Charter, and report the details and results of any performance evaluations undertaken during the period. The Board Charter is available on the website or via this link: [Board Charter](#)

The Company was listed on the ASX in March 2016. The Board intends to formalise a process for its performance evaluation during this year and will then undertake a performance evaluation prior to the end of the year.

(i) has at least three members, a majority of whom are independent directors; and

(ii) is chaired by an independent director,

and disclose:

(iii) the charter of the committee;

(iv) the members of the committee; and

(v) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or

(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.

The Company has not formed a separate Nomination Committee as the Board considers that the Company is not currently of a size to warrant a separate committee, and the full Board undertakes the role.

The Board maintains responsibility for ensuring the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively. The full Board also maintains responsibility for Board succession.

The composition of the Board is reviewed annually by the Board to ensure it has an appropriate mix of skills and experience that enables the directors individually, and the Board collectively, to:

- have a proper understanding of, and competence to deal with, the current and emerging issues of the Company and can effectively review and challenge the performance of those consultants and other advisors engaged to assist the Company in its mining, exploration and other activities; and
- discharge their legal duties and responsibilities effectively and efficiently.

[Board Charter](#)

RECOMMENDATION 2.2 – RECOMMENDATION FOLLOWED

A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.

In accordance with its Board Charter, the Board has established a Board Skills Matrix which sets out the mix of skills and diversity that the Board currently has or is looking to achieve in its Board membership. The Board has identified the below list as the current optimum skills and diversity for the Company.

- Mining and resources expertise, including metallurgy and metals marketing expertise;
- Corporate governance and ASX listed company experience;
- Financial specialism, including capital markets, corporate finance and accounting qualifications; and
- Risk management and compliance oversight,

- (b) if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and*
- (c) the length of service of each director.*

The board comprises four directors, two of whom (Jiahui Jeremiah Thum and Garry Edwards) are independent non-executive directors and two executive directors (Ching-Tiem Huang (Managing Director) and Ching-Ling Chi (Chief Financial Officer)).

The independence of directors is reviewed annually. Based on the Company's criteria for assessing director independence, independent directors are asked to confirm whether they have any interests or relationships that may impact either on their ability to act in the best interests of the Company or independently of management. The criteria used to assess independence, including guidance for determining materiality, are reviewed annually and are set out in the Board Charter.

The Company's 2015 Annual Report is available on the website via this link: [2015 Annual Report](#)

RECOMMENDATION 2.4 – RECOMMENDATION NOT FOLLOWED

A majority of the board of a listed entity should be independent directors.

The Board comprises four members, two of whom are independent and two of whom are executive (and therefore non-independent) Directors.

The Company considers this to be an appropriate balance given the size of the Company, and considers the current Board size and composition is appropriate. The Board may appoint additional independent non-executive Directors in the future, having regard to the financial position of the Company.

RECOMMENDATION 2.5 – RECOMMENDATION NOT FOLLOWED

The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.

The Chair of the Board is Mr Ching-Tiem Huang, who is also the Managing Director of the Company. Given Mr Huang's operational experience with the Company's assets, and West African mining experience, the Board considers Mr Huang as being the most appropriate person to be Chair of the Board at this time. The Company will continue to review this.

- (ii) is chaired by an independent director, who is not the chair of the board,*

and disclose:

- (iii) the charter of the committee;*
- (iv) the relevant qualifications and experience of the members of the committee; and*

- (v) in relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or*

(b) if it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.

The Company has not formed a separate Audit Committee. The full Board maintains responsibility for ensuring the Board independently verify and safeguard the integrity of its corporate reporting. The full Board also maintains responsibility for the appointment and removal of the external auditor and the rotation of the audit engagement partner.

These responsibilities of the Board are set out in the Board Charter which is available on the website or via this link: *Board Charter*.
